‘Him we proclaim, warning everyone and teaching everyone with all wisdom that we may present everyone mature in Christ’

**COLOSSIANS 1:28**

We are all looking forward, with great anticipation, to *A Passion for Life* (the nationwide mission initiative in March 2010 www.apassionforlife.org.uk). But what will happen after these mission events take place? How will your ministry nurture to maturity, by the grace of God, new disciples of Jesus?

To help us answer these questions and encourage us as we move towards *A Passion for Life* we are joined this year by two key note speakers: Rico Tice & Mark Dever.

Rico will encourage us all to make the most of *A Passion for Life*, before Mark Dever helps us to focus on the need to make disciples of Jesus Christ mature.

Church leadership teams from across the South East of England are invited to this one day conference, to help and encourage one another in building up the body of Christ.

There will also be time given over throughout the day to pray together, as well as time to ask questions.

**SPEAKERS**

**Mark Dever**, Senior Pastor at Capitol Hill Baptist Church, Washington DC. Prior to moving to Washington in 1994, Mark also served for two years as an associate pastor of Eden Baptist Church, Cambridge. He currently serves as the president of 9Marks in Washington, which exists to help local church pastors and leaders cultivate health and holiness in the local church. He has authored several books including, ‘9 marks of a Healthy Church’ and ‘The Deliberate Church’.

**Rico Tice**, Associate Minister (Evangelism) at All Souls Church, Langham Place, London. Well known to many of us, Rico is considered one of our foremost evangelists and is probably best known for developing the ‘Christianity Explored’ course and his co-authorship of ‘Christianity Explored’.

WHAT IS THE SOUTH EAST GOSPEL PARTNERSHIP?
The South East Gospel Partnership is an interdenominational group of church leaders from across the South East of England that has been meeting to consider how we can advance the gospel of Jesus Christ in our region. We aim to work together to encourage local churches in proclaiming the gospel to those who currently do not know Jesus, in the training of a new generation of Christian leaders and in the multiplying of new congregations and fellowships. We work in cooperation as a group of churches and church leaders, not as an executive, and our aims are practical not political.
